

Your guide to creating an effective PROFILE

YOUR GATEWAY TO BUSINESS GROWTH

Projects

Suppliers

🔍 What are you looking for?

📍 Select Location

Gateway by ICN is the pivotal connection between major projects and the best suppliers in the regions.

In an increasingly competitive market, Gateway by ICN gives you access to a sophisticated business network that helps boost your business, with an immediate connection to billions of dollars' worth of project opportunities.

This guide is designed to help you create a profile that increases your chances of appearing in searches and being put forward for work. The more we know about you the better we can match your profile with projects around Australia and New Zealand.

Creating your profile should take around 30 minutes. But if you want to give it a little more thought, you can always save your progress and come back later to complete it.

NEED HELP?

Our Industry Specialists are here to help you.

If you need any help completing your profile please call us on 1300 961 139.

GETTING STARTED

Here is some information you will need before you start:

- ✓ Trading name
- ✓ ABN or NZ business number
- ✓ Address and contact details
- ✓ Products and services you offer
- ✓ Accreditations, insurances and licence details.

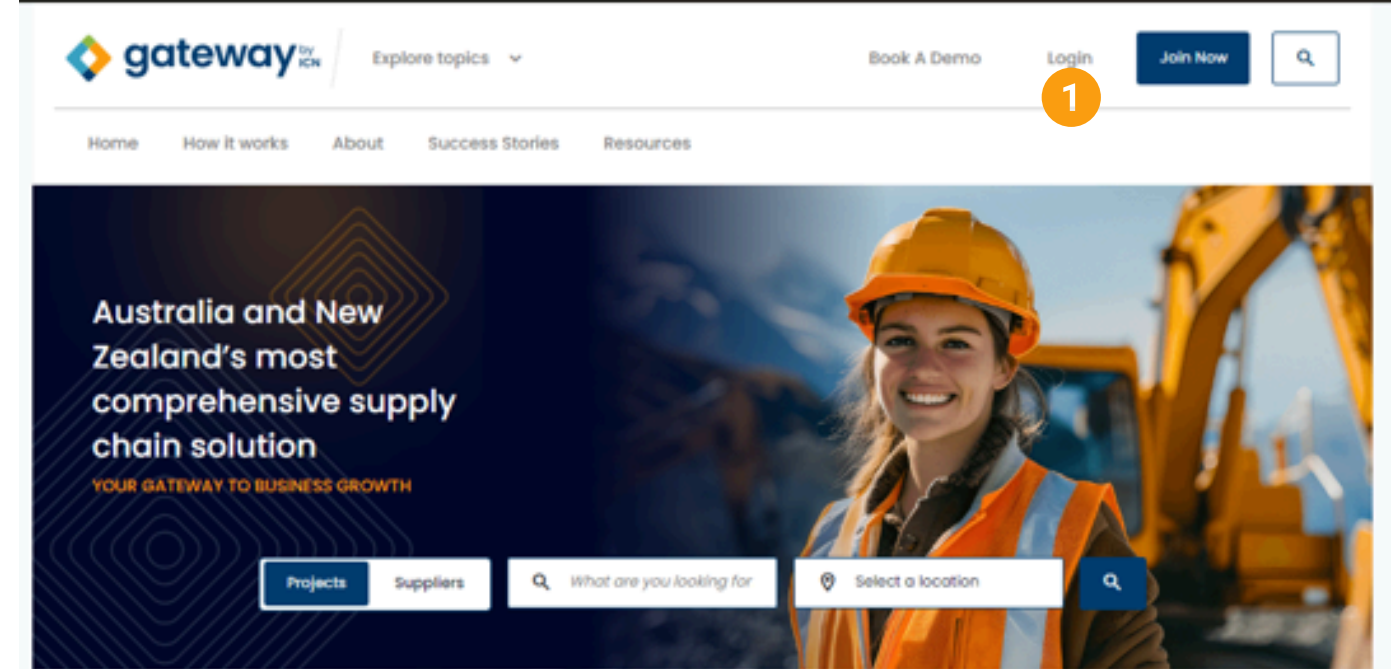

LOGGING IN TO YOUR PROFILE

- 1 To get started, log in to your profile at gateway.icn.org.au and select 'Login' from the main menu.

Enter your email and password, then press the 'Login' button.

Enter your 2FA verification code.

NOTE: 2FA is set up on your account. If you haven't already installed 2FA on your account you will need to do so now. If you are having difficulties, please refer to our Resources page.

Why use Gateway by ICN?

Our Network is your Network. When you use any of our tools or services, you will have the expert support and advice of our experienced Industry Specialists at your fingertips.

YOUR SUPPLY CHAIN SOLUTION

For Suppliers

Keeping Australian businesses in the mix

- ✓ Showcase your business capabilities to project owners
- ✓ Get tailored advice and support from our Australia-wide network of experts
- ✓ Learn about new and upcoming opportunities before your competitors
- ✓ Save time, money and effort with our automated Capability Statements and Quad Charts

[More for suppliers](#)

For Project Owners

Tailor your project your way

- ✓ Save time and money in the procurement process by sourcing locally
- ✓ Meet procurement corporate responsibility and regulatory requirements
- ✓ Bridge the gap between business and projects supported by our industry Specialists
- ✓ Uncover powerful supply chain solutions, backed by expert advice and support

[More for project owners](#)

For Government

Accelerate local industry participation initiatives

- ✓ Map and match industry capabilities to understand supply chain gaps and drive economic growth
- ✓ Ascertain detailed verified business capability at the national, state and/or local level to inform and implement policy initiatives
- ✓ Identify indigenous businesses or number of employees, by area and industry

For Market Analysts

Discover new data and insights

- ✓ Bring an additional layer of supplier analysis to new and existing markets
- ✓ Combine ICN data with other data sources to gain a greater understanding of the Australian industry sector or supply chain
- ✓ Identify opportunities for local suppliers to tap into adjacent markets or industry segments

YOUR DASHBOARD

- 1 My Business Profile**
See at a glance how complete your profile is and which sections require action.
- 2 What are you looking for**
Easily search for projects and suppliers from your dashboard.
- 3 My activities**
Any EOIs that need action are shown here.
- 4 My messages**
We use this section to keep you updated on system changes, and other information.
- 5 Financial risk rating**
Your Equifax score is available for all paid subscriptions. Be Compelling and Premium subscribers also have access to a full Equifax report.
- 6 Profile statistics**
See how many times your profile has appeared in search results and how many times someone has clicked through to your profile. **Note – Premium subscribers only.**

The screenshot shows the user interface of the Industry Capability Network Limited dashboard. At the top, the company name is displayed, followed by a 'Switch company' dropdown. Below this are navigation buttons for 'Projects' and 'Suppliers', a search bar with the placeholder 'What are you looking for?', and a location selector 'Select a location'. A search icon with a '2' callout is also present. The main content area is divided into several sections: 1. 'Company profile' section showing location (Maroochydore, QLD), membership (Premium), and ID number (35912), with an 'Edit/View Profile' button. 2. 'My activities' section with a '3' callout, listing 'Incomplete EOIs' such as 'Queensland Biodiversity Site Management' and '5. Integrated Logistics Support (ILS)'. 3. 'Financial risk rating' section with a '5' callout, displaying an Equifax score of 723 / 1200, a risk bar, and a 3% chance of adverse events in the next 12 months. 4. 'My messages' section with a '4' callout, showing a message from 2023-01-09 about 'New security measures for ICN Gateway'. 5. 'Profile statistics' section with a '6' callout, showing a progress bar for profile completion. 6. A 'Your Last Login' box indicating the last login was at 11:05am 09 Jan 24 (AEST). The dashboard uses a clean, modern design with blue and white tones and orange callout boxes.

EDIT BUSINESS DETAILS

- 1 Business ID**
This number is automatically generated when you create your profile.

Tip for success: Provide this number to our industry Specialists when making enquires.

- 2 Trading name or ABN**
Enter your ABN or trading name. Use the name that you most commonly use for your business.
- 3 Other names**
Any other names your business might be known by including its official name, previous names or parent company.
- 4 Aboriginal and/or Torres Strait Islander owned**
Indicate if your business is Aboriginal and/or Torres Strait Islander owned
- 5 Indigenous information**
If your company is a certified Indigenous business or holds a relevant membership, then please upload your certification/membership details in the Certifications section of your profile. For example Supply Nation.

DOCUMENTS/ACCREDITATIONS

1 Accreditations, certifications and history
Use the radio buttons to indicate if you a Government Supplier, a not for profit and if you have a PQC rating.
Note: A PQC rating is only applicable for Qld businesses

2 ANZIC Codes
Using the drop down menu select the accreditations that are related to your business. Eg: quality, safety, environment.

Tip for success: If you already know the code number or name you can type the information in and the code will come to the top.

3 Accreditations
Using the drop down menu select the accreditations that are related to your business. Eg: quality, safety, environment.

Tip for success: Project owners often ask if suppliers are either qualified (or qualify-ready) in a range of accreditations and certifications. Leaving this blank could mean you're automatically excluded from a supplier shortlist.

4 NT CAL Accredited
NT Contractor Accreditation Ltd (CAL) is a non-profit company to manage a scheme of self-regulation for the building and construction industry. The Northern Territory government requires CAL accreditation as a prequalification for most contractors, sub-contractors and project managers seeking work above the value of \$30,000 (\$10,000 for remote community projects).

5 Works in remote locations
List any remote locations.

6 Associations
List any significant associations. This information is commercial-in-confidence and used by our consultants when considering your company for projects.

7 Existing pre-qualifications
This information is commercial-in-confidence and used by our Industry Specialists when considering your company for projects.
